## About Wingspan

Wingspan Arts is a non-profit organization that is fully insured and professionally managed. We hold our programs ON-SITE at PS 110, and work in partnership with PS 110 to offer semester-long afterschool arts enrichment classes that meet once a week. The program is staffed by Site Director(s), Site Assistant(s), and professional Teaching Artists.

## A Day at Wingspan Arts

- When students are dismissed from school, they are escorted to Wingspan’s central meeting area at PS 110.
- Students are provided with a snack and an option of arts based activities from school dismissal until 3:15 PM
- Arts enrichment classes run for 90 minutes from 3:15 - 4:45 PM.
- Pick-up runs from 4:45 - 6:00 PM; students again participate in a choice of arts based activities, other supervised games, or homework.
- Pick-up ends promptly at 6:00 PM. A fee of \$1/minute will be charged for any students remaining after 6:00 PM; fee increases after third late pick-up.

## Tax Information

Our afterschool programs may be claimed as a childcare expense on your taxes, or used with a flex spending account! Our Federal Tax ID is 13-4189808, and our office can provide you with a formal receipt.

## Financial Aid

Wingspan Arts has a long tradition of providing need-based financial aid to our incredible afterschool communities. We do our best to ensure that every child has access to the arts, regardless of their ability to pay the full tuition for our programs. To find out more about financial aid, please visit our website.

## Refund Policy

- If your child is not satisfied with his/her afterschool class, and withdraws within the first two weeks, we offer a full credit to your Wingspan Arts account to be used for a future class or Half-Day program.
- After the first two weeks, we offer a pro-rated credit amount to your Wingspan Arts account.
- If you wish instead to be refunded to your credit card, Wingspan Arts charges a \$50 refund fee.

## **Spring 2018**

### **MONDAY**

#### **Grades Pre-K & K – Painter’s Palette**

Create sketch drawings and turn them into beautiful paintings using a variety of paints and canvases! Learn how to use color and value to create light, shadows, and form. Explore composition, color mixing, painting techniques, and self-expression in this fun class!

#### **Grades Pre-K & K – Music To My Ears**

Through songs, games, and exercises, we’ll explore the fundamentals of music. We’ll learn about dynamics, tempo, pitch, melody, beat, and rhythm. In the course of our time together we will write our own songs and sing some of our old favorites!

#### **Grades K-1 – Actor’s Toolkit**

In Actor’s Toolkit, students will build their skills in imaginative storytelling and improvisation. Through theatre games and ensemble-building activities, the actors in this class will learn about character development, plot structure, and scene study. Students will develop their emotional awareness and social skills, while also building their toolkit to become great actors!

#### **Grades 1-3 – Mad Science *\$60 Materials Fee***

Calling all mad scientists! This class is full of bizarre experiments guaranteed to amaze every participant! Every class involves gooey, slimy, scientific fun, most of which can be taken home. Discover how cool science can be in our MAD SCIENTIST LAB!

### **TUESDAY**

#### **Grades Pre-K & K – Storytime Theatre**

Let your imagination soar by combining storytelling with theatre! Students will hear classic and contemporary children’s stories, and then they’ll get a chance to create a menagerie of their own unique characters and plots!

#### **Grades Pre-K & K – Global Dance**

In this class, dancers will learn styles such as African, jazz, ballet, salsa, Afro-Caribbean, Indian, hip hop, funk, and swing. They will dance to music from all over the world and play games that help them listen to the sounds that make each style and culture unique. This class encourages an awareness and appreciation of other countries’ historical dance styles and inspires them to find a common colorful thread that runs through ALL movement.

## **Spring 2018**

### **Grades K-1 – Lego Masters \$15 Materials Fee**

Learn how to become Lego-smart! This class will introduce teamwork, observation, creative thinking, and problem-solving skills all through the fun of Legos. Build towns, spaceships, bridges, railroads, artwork, and a whole lot more in this exciting class!

### **Grades 1-3 – Pop Choir**

Is music in your soul? Then sing it! Work those vocal chords and see what it takes to be part of a chorus through learning and performing contemporary pop songs! Singers will explore harmonies, melodies, and the vocal techniques to sing songs in a whole new way.

## **WEDNESDAY**

### **Grades Pre-K & K – Movin' & Groovin'**

This high-energy class combines rhythm and dance to get everyone movin' to the beat! We will explore different dance and movement styles through a wide-range of fun music, imaginative games, and exercises. In this class you will certainly have fun finding new ways to move to the groove!

### **Grades Pre-K & K – Puppets & Play**

Create your own puppets and bring them to life! Students will start off watching several puppet shows put on by the teacher's own collection to get a sense of the joy that goes into play acting. This class will give students a chance to build puppets from lollipops, styrofoam balls, vegetables and fruit, and pop-up paper. Best of all, every student will get to take their puppets home! The class culminates in a life-size puppet show at the end of the semester.

### **Grades K-1 – Mini-Musical**

"5, 6, 7, 8!" Get ready for a song and dance experience like you have never had before. This class will explore musical theatre, dance, and music – and give you the chance to do it yourself! Not only will you get to work on your turns and time-steps, but you will also work on creating your own original show!

### **Grades 1-3 – Cartooning & Illustration**

Ever wanted Wile E. Coyote to catch the Road Runner? Ever thought of a new cartoon character? In this class, anything is possible as students learn and develop skills in drawing and creating animated cartoons. The class will introduce various styles of animation and inspire all young artists to create unique characters of their own. Exercises will include drawing from life, creating exaggerated caricatures, making flipbooks, and more!

## Spring 2018

### **THURSDAY**

#### **Grades Pre-K & K – Lego Creations** *\$15 Materials Fee*

Legos just got even *more* fun! In this class, students experience the excitement of Legos and learning! This class will introduce teamwork, observation, creative thinking, and problem-solving skills all while encouraging the use of creativity and imagination to build the most amazing creations!

#### **Grades Pre-K & K – Actor’s Playground**

Have you ever wondered why they call it a play? BECAUSE ACTING IS FUN! In this play-based drama class, students will experiment with improvisation, ensemble-building, and acting exercises to discover the joy of theatre. All the world’s a stage (or a playground) in this energetic and active class.

#### **Grades K-1 – Art of Science** *\$15 Materials Fee*

In the Art of Science we explore science creatively, using our right brain and all of our senses. We'll taste the periodic table, discover the science of music, and explore the solar system, space, and even dinosaurs through dance, theatre games, and puppetry. We will paint, color, and craft experiments that help us understand friction, force, chemical reactions, and so much more! We'll stay clued into science in the news and of course we'll launch an air rocket or two. This class is perfect for the creative and the curious.

#### **Grades 1-3 – Dance Studio**

The essence of this class is the joy of expression through different forms of dance. The young dancer will experience dance styles such as tap, jazz, ballet, hip hop, step, funk, and swing, to name a few. This is the class for you if you’re interested in learning a variety of dance and creative movement styles.

### **FRIDAY**

#### **Grades Pre-K & K – Music Makers**

Through songs, games, and exercises, we’ll explore the fundamentals of music. We’ll learn about dynamics, tempo, pitch, melody, beat, and rhythm. In the course of our time together we will write our own songs and leave with a core understanding of musical vocabulary.

#### **Grades Pre-K & K – Puzzles and Games** *\$15 Materials Fee*

This class will “Boggle” your mind! Learn from the classics, by playing games like Monopoly and Chess. Then create your own board games, treasure maps, puzzles, and mazes. You won't be “Sorry” you signed up for this class.
