

FINANCIAL AID ELIGIBILITY GUIDELINES

Wingspan Arts has a long tradition of providing need-based financial aid to our incredible afterschool communities. We do our best to ensure that every child has access to our programs, regardless of their inability to pay the full tuition. We have a limited pool of financial aid to award, however, so we aid our lowest-income families first, while working to assist all families to the best of our ability.

Beginning with our Fall 2017 programs, we have set guidelines for determining financial need based on household size and collective household income. This will help to ensure that all candidates are initially evaluated equally. We also know that no family is the same, so we will continue to evaluate each application for unique situations, which may result in additional aid.

STEP 1 – LOOK UP YOUR FINANCIAL AID QUALIFICATION TIER

Before you complete the scholarship application, please review our eligibility requirements for financial aid. Qualification for each tier is based on annual household income (from all sources) and the number of individuals in the immediate family (household size). Families must make the listed amount or less to qualify in each tier.

	Tier IV	Tier III	Tier II	Tier I
	Pay as little as \$50/class	Pay as little as \$200/class*	Pay as little as \$300/class*	Receive up to \$60 off per class*
Household Size	Household Income			
2	\$16,000	\$25,000	\$41,000	\$65,000
3	\$20,000	\$30,000	\$51,000	\$81,000
4	\$24,000	\$35,000	\$61,000	\$98,000
5	\$28,000	\$40,000	\$72,000	\$114,000
6	\$32,000	\$45,000	\$82,000	\$131,000
7	\$36,000	\$57,000	\$92,000	\$147,000
8	\$40,000	\$62,000	\$103,000	\$164,000

If you're unable to complete the online form, you may submit our paper application. Please note that paper applications are processed after the semester has already started. Students may not attend the program until financial aid has been awarded. You would receive an email confirming your student's class schedule and when your student may begin attending classes. Email financial-aid@wingspanarts.org for a paper application.

STEP 3 - ENROLL YOUR STUDENT

Families Able to Enroll Online

We prefer that applicants enroll in classes through our online registration system. Students who enroll before the semester begins are able to start attending right away. Students who enroll after the semester begins must wait until their online enrollment has been fully processed by the office and they receive a notification email that they may begin attending classes.

After you submit the scholarship application, you will be emailed instructions on how to enroll based on your Financial Aid Qualification Tier. Any additional tuition owed after your financial aid is determined may be paid in installments over the semester. Wingspan Arts waives the installment fee for most scholarship recipients.

Families Unable to Enroll Online

If you are unable to enroll through our online system, your student will not be able to attend the program until we have processed your scholarship application. Once it's been processed, you will receive an email confirming your student's class schedule and the day your student may begin attending classes.

We encourage families to try to enroll in at least one class online. This will put your student in our system, allow you to sign our waivers, and reserve at least one spot while we review your scholarship request. This expedites the process for enrollment in other classes as well, as we will have all of your information already entered online for the semester.

STEP 4 – REVIEW THE SCHOLARSHIP AWARD EMAIL

Once your application has been reviewed, you will receive an email with your scholarship award and your balance due after any deposit you made during enrollment. Your balance will be automatically broken into three payments, to be paid in installments over the semester. We waive the installment fee for most scholarship award recipients, but we ask that families who can pay their balance in full contact us to arrange payment. If our standard installment schedule won't work for you, please contact us to arrange a schedule that will work for your family.

APPEALS

Sometimes a scholarship award is not enough to fully assist a family. In these cases, please contact us at financial-aid@wingspanarts.org to reassess your application. We have a limited financial aid pool from which to draw funds, but we will allocate additional aid if we are able to do so.
