

Dear Wingspan family -

Thanks so much for your interest in Wingspan Arts' financial aid program. We're dedicated to making sure every student can participate fully in Wingspan Arts programming, regardless of ability to pay.

Applying for financial aid with Wingspan Arts is a two-step process.

STEP ONE: FILL OUT A SCHOLARSHIP FORM

Wingspan Arts uses a digital form to determine scholarship awards. Please use the link below to fill out our financial aid request - we just need some information about your child, your income, and your reasons for wanting your child to participate in Wingspan Arts programming. Once you submit the online form, you'll be sent an email asking you to confirm your email. **Click the link** in this email - we will **not** receive your scholarship form until you click the confirmation link!

If you have difficulties with the online form, please request a paper form by emailing us at afterschool@wingspanarts.org.

STEP TWO: REGISTER ONLINE

After you've filled out our scholarship application, you can register your child online to save their spot in the program. Registering online is the best way to ensure that your child can start the first week of the program. When registering online, enter **SCHS17** (*please note - this code is case-sensitive, so use all capital letters!*) as the coupon code. This allows you to make a 10% deposit, rather than paying the total tuition.

To register late, please email us at afterschool@wingspanarts.org

If you're not able to afford the 10% deposit, then you can simply submit the scholarship form. We'll do our best to get your child enrolled by the start of the program - you'll receive an email confirming their start date, days enrolled, and class schedule as soon as we review the form.

Once we determine your scholarship grant in February, you'll receive an email with your grant amount and balance due. We ask that you contact us to set up payment (whether in installments or in full) when you receive that email. If the balance due is too high for you to afford, contact us, and we'll do our best to allocate additional funds.

Please don't hesitate to contact us with any questions. You can reach us at afterschool@wingspanarts.org or at 212-586-2330.

All our best,
The Wingspan Arts Education Team
