About Wingspan Arts

Wingspan Arts is a non-profit organization that is fully insured and professionally managed. We hold our programs ON-SITE at Anderson, and work in partnership with Anderson to offer semester-long afterschool arts enrichment classes that meet once a week. The program is staffed by Site Director(s), Site Assistant(s), and professional Teaching Artists.

A Day at Wingspan Arts

- When students are dismissed from school, they are escorted to Wingspan’s central meeting area at Anderson
- Students are provided with a snack and an option of arts based activities from school dismissal until 3:30PM
- Arts enrichment classes run for 90 minutes from 3:30 - 5:00 PM
- Pick-up runs from 5:00 - 6:00 PM; students again participate in a choice of arts based activities, other supervised games, or homework.
- Pick-up ends promptly at 6:00 PM; a fee of \$1/minute will be charged for any students remaining after 6 PM; fee increases after third late pick-up. **Consistent early pick-ups (before 5:00 PM) will not be accommodated.*

Tax Information

Our afterschool programs may be claimed as a childcare expense on your taxes, or used with a flex spending account! Our Federal Tax ID is 13-4189808, and our office can provide you with a formal receipt.

Financial Aid

Wingspan Arts has a long tradition of providing need-based financial aid to our incredible afterschool communities. We do our best to ensure that every child has access to the arts, regardless of ability to pay the full tuition for our programs. To find out more about financial aid, please visit our website.

Refund Policy

- If your child is not satisfied with his/her afterschool class, and withdraws within the first two weeks, we offer a full credit to your Wingspan Arts account to be used for a future class or Half-Day program.
- After the first two weeks, we offer a pro-rated credit amount to your Wingspan Arts account.
- If you wish instead to be refunded to your credit card, Wingspan Arts charges a \$50 refund fee.

Class Descriptions

Spring 2019

MONDAY

Grades K-1 – Art Explorers

Students will cut, paint, glue, draw, and sculpt! This class will focus on the individuality and creative thinking process of each child as images and three-dimensional forms emerge from stories, poetry, and free association. Concepts will come to life as students develop skills to communicate their ideas in unique ways. This is a great class to explore a variety of artistic mediums.

Grades 1-3 – Mini-Musical

“5, 6, 7, 8!” Learn a dance, sing a song, and perform a monologue in this introductory musical theatre class. Students will learn what it takes to become a triple threat, while also being introduced to many Broadway musicals. Students will work as an ensemble to create their own original musical focusing on the story structure of major Broadway musicals.

Grades 2-4 – STEAM Cooking with *Allergic to Salad* \$25 Materials Fee

We’ve got STEAM heat! This creative culinary class covers components of the scientific method and includes rotating curriculum on kitchen skills and culinary arts, food systems (sustainability, policy, justice, etc.), physical science, and life science. This class delves deeply into full-circle cooking: learning to read a recipe, determining needed ingredient quantities, and making fraction adjustments. Students maintain their own cookbooks for an added literacy component.

Grades 3-5 – Pop Choir

Students will become “pitch perfect” by joining the vocal ensemble in Pop Choir. Singers will learn about melodies, harmonies, acapella, and solo performances while singing their favorite pop hits. Ariana Grande, Shawn Mendez, and Bruno Mars are just some of the musical influences inspiring the singers in this class. Students will perform their greatest hits at the end of the semester!

TUESDAY

Grades K-1 – Fairytale Theatre

Fairies and goblins and elves, oh my! Students will combine storytelling with theatre and let their imaginations soar in this creative drama class. Young artists will explore classic fairytales and bring them to the stage each week. They will also create their own and bring new characters to life! This class will culminate in the performance of a fairytale!

Class Descriptions

Spring 2019

Grades 1-3 – Crayola Artist Passport with Mad Science \$60 Materials Fee

Embark on an around-the-world cultural adventure – explore far-off places and learn about the people who live there, from the Americas to Polynesia, from the cosmopolitan to the countryside. Experiment with Crayola® products, while trying art techniques developed by local artists and artisans. Make different masterpieces each week such as drums, masks, canvases, prints, buses, and more! Bring the unique creations home and build a globally-inspired art gallery.

Grades 2-4 – Super Soccer Stars \$40 Insurance Fee

Come and learn about the world's most popular sport in this fun and active class. Super Soccer Stars will teach you basic skills, warm-ups and tips on how to keep fit. So sign up, build your self-confidence, and become part of the Super Soccer Stars team!

Grades 3-5 – Sketch Comedy

Writers, comedians, and performers will master the art of funny in the Sketch Comedy class. Through writing exercises, improv games, and acting techniques, students will learn the fundamentals of comedy in performance. Students will create characters, conflicts, and circumstances that put the FUN in FUNNY! This class will culminate in a series of written sketches to be performed in front of a live audience!

WEDNESDAY

Grades K-1 – Music to My Ears

Singers will develop proper vocal technique in this introductory music class. Through songs, games, and exercises, students will explore the fundamentals of vocal performance, and the joy that singing brings! Students will sing, move, and enjoy listening to music that ranges from Tchaikovsky to Frank Sinatra, and even some of Broadway's top hits! By the end of the semester, each student will use their understanding of music composition to sing their hearts out in an original performance.

Grades 1-3 – Lego Artists \$15 Materials Fee

In this class, students experience the excitement of Lego and learning! This class will introduce teamwork, observation, creative thinking, and problem-solving skills while students use their imaginations to build artistic Lego creations! Students will learn about famous pieces of art and architecture, explore 2D mosaics, and build upwards in 3D. Students will be able to build individually and in groups, giving them a sense of ensemble and how their pieces and fun ideas fit into the whole.

Grades 2-4 – Afro Caribbean Drumming

In this dynamic class, students will be introduced to different Afro-Caribbean styles of music. They will explore Salsa, Merengue, and Cha Cha Cha, and learn about their influence on popular music such as funk, rap and hip hop. Students will be introduced to proper drumming techniques and rhythms, as well as how

to create different tones and grooves. The class will culminate in a Latin percussion jam session featuring the student ensemble!

Grades 3-5 Lego Robotics with CodingKIDZ \$40 Insurance Fee

Using the LEGO Mindstorms EV3 platform, students build and program walking, talking and thinking robots. Starting with separate LEGO pieces, motors, sensors and a mini-computer, students team up to build robotic creations ranging from scorpions to humanoids. They then program their robots to complete missions and participate in hilarious races against other teams in the class.

THURSDAY

Grades K-1 – Jr. Asphalt Jungle with KP All Sports

This energetic class will be having tons of fun in the schoolyard. Get ready for four square, stickball, chalk games, and many more as students explore the most popular games on the playground! And not just recent games – they'll explore games from days past, and have a "ball" on the playground!

Grades 1-3 – Dance Studio

The essence of this class is the joy of expression through different forms of dance. The young dancer will experience such dance styles as tap, jazz, ballet, hip hop, step, funk, and swing, just to name a few. So, sway on over to this class if you're interested in learning a variety of dance and creative movement styles!

Grades 2-4 – Modern Masters

This class is for the artist and the art historian alike! In this class, students will learn about and discuss different art genres and periods, such as Impressionism, Fauvism, Pointillism, Art Nouveau, Art Deco, Pop Art, and abstract art. They will then create their own 2D and 3D artworks inspired by these ideas. Students will also create relationships with the artists of history, and develop their own techniques to find their authentic artist self.

Grades 3-5 – Animation with Sh!ne \$60 Materials Fee

In Animation, students will have the opportunity to create their own stop motion animation shorts both individually and as a group. They will learn about storyboards, script writing and editing in addition to getting the chance to create their own characters, backgrounds and stories for their films! At the end of the class, students will have practiced all of the jobs required to create a stop motion animation piece and will have created a short film.

Spring 2019

FRIDAY

Grades K-1 – Dance Around the World

In this class, dancers will learn styles such as African, jazz, ballet, salsa, Afro-Caribbean, Indian, hip hop, funk and swing. They will dance to music from all over the world and participate in games and exercises that will help them listen to the sounds that make each style and culture unique. This class encourages an awareness and appreciation of other countries' historical dance styles and inspires students to find a common colorful thread that runs through ALL movement.

Grades 1-3 – Actor's Workshop

Calling all actors! In Actor's Workshop, students will learn key elements of theatre performance and rehearsal practices. Through monologue and scene study, as well as in-depth character development exercises, the actors in this class will learn the value of objectives, tactics, and stakes in performance. Students will also have the opportunity to develop their own pieces, and direct their fellow classmates. At the end of the semester, the actors will show off what they've learned in a short play!

Grades 2-4 – Yoga

Breathe deeply. Meditate. Stretch. Move! Through the ancient art of yoga, students will gain flexibility and have the freedom to dance and explore creative movement. These yoga sessions will combine emotional reflection, light stretching, breathing, various yoga poses, and meditation. Students will learn downward facing dog, upward facing dog, child's pose, windmill pose, frog pose, tortoise pose and more! By the end of the semester, students will feel peaceful sharing all they've learned in a yoga demonstration. Namaste.

Grades 3-5 – Art of Nature

Students will discover art all around them in this nature-based visual art class. Using natural and found materials, students will explore ways to reduce, reuse, and reinvent with creativity. Projects will focus on sustainability, observation, and the beauty of the natural world. Join Art of Nature to save, create, and celebrate the natural earth.
