### About Wingspan Arts

Wingspan Arts is a non-profit organization that is fully insured and professionally managed. We hold our programs ON-SITE at TNS, and work in partnership with TNS to offer semester-long afterschool arts enrichment classes that meet once a week. The program is staffed by Site Director(s), Site Assistant(s), and professional Teaching Artists.

### A Day at Wingspan Arts

- When students are dismissed from school, they are escorted to Wingspan's central meeting area at TNS.
- Students are provided with a snack and an option of arts based activities from school dismissal until 3:30PM.
- Arts enrichment classes run for 90 minutes from 3:30 - 5:00 PM.
- Pick-up runs from 5:00 - 6:00 PM; students again participate in a choice of arts based activities, other supervised games, or homework.
- Pick-up ends promptly at 6:00 PM; a fee of \$1/minute will be charged for any students remaining after 6 PM; fee increases after third late pick-up. *\*Consistent early pick-ups (before 5:00 PM) will not be accommodated*

### Tax Information

Our afterschool programs may be claimed as a childcare expense on your taxes, or used with a flex spending account! Our Federal Tax ID is 13-4189808, and our office can provide you with a formal receipt.

### Financial Aid

Wingspan Arts has a long tradition of providing need-based financial aid to our incredible afterschool communities. We do our best to ensure that every child has access to the arts, regardless of their ability to pay the full tuition for our programs. To find out more about financial aid, please visit our website.

### Refund Policy

- If your child is not satisfied with his/her afterschool class, and withdraws within the first two weeks, we offer a full credit to your Wingspan Arts account to be used for a future class or Half-Day program.
- After the first two weeks, we offer a pro-rated credit amount to your Wingspan Arts account.
- If you wish instead to be refunded to your credit card, Wingspan Arts charges a \$50 refund fee.

## Fall 2019

### Monday

#### **Grades Pre-K & K – Lego Creations \*\$15 Materials Fee**

Legos just got even more fun! In this class, students will experience the excitement and creativity of Legos and learning! This class will introduce teamwork, observation, creative thinking, and problem-solving skills while using creativity and imagination to build the most amazing creations!

#### **Grades K-1 – Mini Musical**

“5, 6, 7, 8!” Learn a dance, sing a song, and perform a monologue in this introductory musical theatre class. Students will learn what it takes to become a triple threat, while also being introduced to many Broadway musicals. Students will work as an ensemble to create their own original musical focusing on the story structure of major Broadway musicals.

#### **Grades 1-3 – Puzzles & Games \* \$15 Materials Fee**

This class will “Boggle” your mind! Learn from the classics, and create your own in this creative visual arts and play class. Play board and brain games, create new rules, and identify different types of puzzles - and then make your own! Design and build new games, treasure maps, puzzles, and mazes using classic visual arts techniques! You won't be “Sorry” you signed up for this class.

#### **Grades 2-4 – Step & Hip Hop**

Step, stomp, and shake in this advanced Step & Hip Hop class. Students will learn about the cultural evolution of modern Hip Hop and Step by activating their bodies, voices, and minds to create intricate dance pieces. Students will learn introductory steps, basic breakdancing, body rhythms, and the art of street dance in this active and energetic class. Students will also advance to create their own choreography and perform their original pieces.

#### **Grades 3-5 – Introduction to Robotics (Dash) \*\$40 Materials Fee**

This beginner’s class allows students to program and operate robots that are very responsive to their environment. Students learn to program them to move, dance, light up, make sounds, avoid obstacles, and even react to voice commands. The robots are loaded with sensors that let them know when there is something in front or behind them. They are also equipped with microphones that can hear sound (and even detect where that sound is coming from) and infrared sensors that let them see and communicate with other robots. Students work in teams to complete fun missions and master the robots’ capabilities.

## Fall 2019

### Tuesday

#### **Grades Pre-K & K – Sing Me a Story**

In this creative music class, young musicians express themselves by acting out stories and writing original songs. Through theatre games and improvisation, they'll learn some basic tools of scene writing and songwriting. After playing out a few well-known stories, they'll work together to create their own original story – and write their own all-original musical play! The young musicians will then rehearse the piece they have written and perform it in the Wingspan Arts showcase.

#### **Grades K-1 – Actor's Playground**

Ever wondered why they call it a play? Because acting is fun! In this play-based drama class, students will experiment with improvisation, ensemble-building, and acting exercises to discover the joy of theatre. Using familiar stories, students will create theatrical worlds to learn about character, relationships, and conflict. All the world's a stage (or a playground) in this energetic and active thespian experience.

#### **Grades 1-3 – Dance Evolution**

In this class, dancers will learn styles in dance has changed over time and space. Mastering dance moves in such dance styles as the two step, the foxtrot, the jitterbug, the twist, the Watusi, Hand Jive and modern dance. They will dance to music from all over the world and participate in games and exercises that will help them listen to the sounds that make each style and culture unique. This class encourages an awareness and appreciation of other countries' historical dance styles and inspires students to find a common colorful thread that runs through ALL movement.

#### **Grades 2-4 – Toymaker's Workshop \*\$15 Materials Fee**

Have you ever wondered how they make your favorite toys? Let's find out! In this hands-on class, students will learn the science and engineering behind how toys work. Students will create and design their own toys and develop new ways to play. This visual arts class combines imagination and curiosity, and the students will take home many handmade toys.

#### **Grades 3-5 – Playwriting & Performance**

Playwrights in this class will bring their stories to the stage! Students will discover the excitement of playwriting as they bring plot, character, theme, and more to life in the limelight. After an introduction to the basics of dramatic theory and the playwriting process, students will have the opportunity to write and perform their own theatrical masterpiece!

## Fall 2019

### Thursday

#### **Grades Pre-K & K – Painter’s Palette**

Create sketch drawings and turn them into beautiful paintings using a variety of paints and canvases! Learn how to use color and value to create light, shadows, and form. Explore composition, color mixing, painting techniques, and self-expression in this fun class!

#### **Grades K-1 – Spanish Adventures with Lango \*\$15 Additional Fee**

This class combines songs, movement, art and crafts, and language activities to create a Spanish-learning experience unlike any other. This class is designed to foster an interest in foreign languages and cultures, as well as promote the development of a child’s linguistic abilities. In addition to learning basic vocabulary words and phrases (e.g. colors, numbers, animals, etc.), all afterschool students will read a book from our signature Lango Kids series. These books follow the Lango Kids--Wen, Luc, and Lucia,--their teacher, and Cosmo the dog on their various adventures throughout the Spanish-speaking world. Each story focuses on a specific set of specialized vocabulary and usually contains a sweet and simple moral.

#### **Grades 1-3 – Songwriting**

Students will examine the craft of songwriting through the use of poetry, percussion, and singing. Students will write songs both individually and as an ensemble, and each student will develop proper singing techniques and a core understanding of musical vocabulary. By the end of the semester, students will write and perform their own original songs!

#### **Grades 2-4 – Actor’s Toolkit**

In Actor’s Toolkit, students will build their skills in imaginative storytelling and improvisation. Through theatre games and ensemble-building exercises, the actors in this class will learn about character development, plot structure, and scene study. Students will use their actor tools of body, voice, and imagination to tell stories in a creative and expressive way. The actors will develop their emotional awareness and social skills, while also building their toolkit to become great performers!

#### **Grades 3-5 – Wearable Art \*\$15 Materials Fee**

Whatever you make, you wear! Jewelry design will be the focus of this class, and students will create necklaces, earrings, bracelets, friendship pins, and tattoos along the way. Watch out for an original T- shirt and hat here and there. Students can show off and sell their creations in a silent auction during the showcase.
